ABOUT US

Pioneering Agro-Export Excellence

Kartari Exim has earned a prominent position in agro-commodity exports by leveraging an extensive network with farmers and cooperatives across India. With 15 years of combined expertise in international trade, we bridge the gap between India's finest agricultural produce and global demand.

Our commitment to quality, sustainability, and customer satisfaction makes us a preferred partner worldwide. We work directly with farmers, ensuring ethical sourcing, stringent quality control, and consistent supply — shipment after shipment.

Our Values

Agricultural Legacy	We honour India's rich agricultural heritage by exporting traditional spices and diverse produce to global markets.
Innovation & Adaptability	Embracing modern organic practices and advanced logistics to serve evolving market demands.
Sustainable Practices	Promoting eco-friendly farming and responsible sourcing for a healthier planet and long-term supply security.
Unwavering Quality	Stringent quality checks at every stage ensure only the best product reaches our global clients.

ANIMAL FEED — FEATURED PRODUCT

Soya DOC — De-Oiled Cake (Soybean Meal)

Non-GMO · 46–48% Protein · Bulk Export from Pune, India

FEATURED PRODUCT	NON-GMO	BULK AVAILABLE
------------------	---------	----------------

Our Soya De-Oiled Cake (DOC) is a high-protein, nutrient-rich by-product of non-GMO soybean oil extraction. Sourced from trusted Indian farms in Pune, Maharashtra and processed with care, it serves as an excellent protein supplement in livestock, poultry, and aquaculture feed formulations worldwide.

Whether you call it soybean meal, Soya DOC, or de-oiled cake — Kartari Exim supplies the same premium quality product for all your animal feed requirements.

PRODUCT SPECIFICATIONS

Protein Content	46–50%
Moisture	Max 11%
Crude Fibre	Max 3%
Urease Activity	0.2–0.3 mg N/g/min
Sand & Silica	Max 1%
